**Special Offer**  
**Order your Big Green Gathering tickets  
now by post and save money**

Our regular customers are keener than ever to get to the BGG this year after our year off in 2008. Glastonbury Festival has already sold out, so demand for BGG tickets is likely to be high. You can make sure of your tickets AND save money by booking now by post, using the special offer order form below.

Nowadays increasing numbers of people choose to book over the internet, but on-line payments are expensive for us to process, which means that this year we have had to introduce an additional on-line booking fee. However, you can avoid this extra booking fee by using the old-fashioned method of sending us a cheque through the post, and if you do so by 30<sup>th</sup> April using the special offer booking form below you can save an additional five pounds per ticket.

The Big Green Gathering is Europe's biggest and most popular Green Festival, and since 1994 has been THE pioneering event combining festival fun with environmental education, information and best practice. It is an experience not to be missed, and one which many people say has changed their lives forever. Whether you're an old hand or a BGG virgin, this year's event promises to be better than ever, so don't miss out.....

## Remember, this special offer closes on 30<sup>th</sup> April 2009
