

Big Green Gathering

Wednesday 2 – Sunday 6 August

A five-day family camping event in Somerset which has become one of the foremost Gatherings for demonstrating greener lifestyles, music and knowledge about healing ourselves and the Earth. It has developed organically in response to a desire from people for a festival that was focused on green issues, from small groups of 300 or so in the '80s to the 20,000 people expected this year. Its collection of wind, solar and pedal-powered stages feature various musicians and performers who support the movement. Open air theatre, workshops, kid's area and fairground plus a huge market where you can pick up your eco-friendly goods. Adult tickets are £95 for the full five days.
