BIG GREEN GATHERING Get yourself down to Somerset for the Big Green Gathering from 2-6 August. At Europe's largest eco-living festival you'll find wind, solar and pedal-powered stages showing music and performances from around the world, plus healing fields, green craft workshops and demonstrations, countless stalls and a horse-drawn camp, where you can learn horsemanship skills and enjoy pony rides. Visit www.big-green-gathering.com for more information.
